FIG. 2

FIG. 3

The diagram illustrates a mechanical device, possibly a scale or balance, with two weighing pans (12) and a central beam (28). The device is shown in a side view, with dashed lines indicating the internal structure and components. The main components are labeled as follows:

- 12**: The weighing pans, shown as dashed outlines.
- 14**: A vertical support or frame component.
- 14'**: A vertical support or frame component, likely a duplicate of 14.
- 18**: A spring mechanism.
- 20**: A horizontal arm or lever.
- 22**: A vertical support or frame component.
- 26**: A vertical support or frame component.
- 28**: The central beam or lever.
- 28'**: A duplicate of the central beam (28).
- 30'**: A vertical support or frame component.
- 34**: A pivot point or joint.
- 36**: A pivot point or joint.
- 42**: A horizontal arm or lever.
- 48'**: A vertical support or frame component.
